

# Got Questions? Ask ORI.

**HOW DO I MAKE AN ALLEGATION OF RESEARCH MISCONDUCT?**

*I'm the RIO, and I'm not sure what to do about...?*

How do I use ORI's forensic image tools?

**I REPORTED MISCONDUCT BUT HAVEN'T HEARD ANYTHING... WHAT'S HAPPENING?**

*Is it okay to use ORI's educational materials in my RCR course?*

I reported misconduct; then my contract wasn't renewed. Is this retaliation?

*I think someone plagiarized my work. What do I do?*
